London
Scientific programme**

TUESDAY 30 JUNE, 2009

TIME	Fleming	Whittle	Elizabeth Windsor	Westminster Suite	St. James Suite	Mountbatten Room	Abbey Room	Caxton Lounge	Benjamin Britten Lounge	Mountbatten Lounge		
08.15-09.00				Breakfast debate Unrestricted availability of PEPSE will increase the transmission of STIs?								
09.00-10.30	Plenary STI/HIV PREVENTION RESEARCH: THE AGONY, THE ECSTASY & THE FUTURE - Judith Wasserheit HARNESSING COMMUNICATION TECHNOLOGIES FOR STI CARE & PREVENTION - Kit Fairley HEPATITIS C, AN EMERGING STI - Roel Coutinho								Exhibition Opens 08.30	Exhibition Opens 08.30		
10.30-11.00	Refreshment break in Benjamin Britten Lounge, 3rd floor, & Mountbatten Lounge, 5th floor											
11.00-12.30	Oral session Sex, Sexuality & Culture	Oral session Genital Herpes; dynamics & control	Oral session Targeting Chlamydia screening			Oral session Novel diagnostics			Exhibition	Exhibition		
12.30-14.00 Satellites 60 mins	LUNCH	GlaxoSmithKline symposium Insights and Advancements in Sexual Health Delivery (Lunch in the room)	Gen-Probe symposium Advances in Molecular Diagnostic Testing in Women's Health (Lunch in the room)	LUNCH in Benjamin Britten Lounge, 3rd floor, & Mountbatten Lounge, 5th floor								
14.00-15.30	Oral session Issues in HIV prevention	Oral session New perspectives in clinical management	Oral session The power of molecular typing in epidemiology	Symposium: PREVEN: an urban community randomised trial		Oral session Spatial distribution of STDs			Exhibition	Exhibition		
15.30-16.00	Refreshment break in Benjamin Britten Lounge, 3rd floor, & Mountbatten Lounge, 5th floor											
16.00-17.00	Oral session Genital warts & HPV	ECDC symposium New challenges for Chlamydia control in the European Union	Oral session Vaginal pathology and ecology	Oral session The challenge of re-infection		BASHH symposium Challenges in HIV care			Exhibition	Exhibition		
17.00-18.00			BD Diagnostics symposium Impact of new technologies and specimen types in the detection and clinical diagnosis of STI					Poster viewing				

Please note that this programme may be subject to change.

ISSTDR/BASHH 2009 Congress
London
Scientific programme

WEDNESDAY 1 JULY, 2009

TIME	Fleming	Whittle	Elizabeth Windsor	Westminster Suite	St. James Suite	Mountbatten Room	Abbey Room	Caxton Lounge	Benjamin Britten Lounge	Mountbatten Lounge
08.15-09.00										
09.00-10.30	Plenary MYCOPLASMA GENITALIUM AS AN STI – CONSEQUENCES FOR PATIENT MANAGEMENT? - Jorgen Jensen NOVEL MICROORGANISMS AND THE ENIGMA OF BACTERIAL VAGINOSIS: NEW INSIGHTS OR MORE CONFUSION - Jeanne Marrazzo THE GONOCOCCUS FIGHTS BACK – THIS TIME IS IT A KNOCK OUT? - David Lewis								Exhibition	Exhibition
10.30-11.00	Refreshment break in Benjamin Britten Lounge, 3rd floor, & Mountbatten Lounge, 5th floor									
11.00-12.30	Oral session Aids 2031: Modelling the future of the HIV pandemic	Oral session Therapeutic Challenges for Gonorrhoea	Oral session Sex and the life course		Clinical Case Reports	Oral session Sex work in India			Exhibition	Exhibition
12.30-14.00 Symposium 60 mins	American STD Association Award Presentations & Luncheon <i>(Lunch in the room)</i>	LUNCH in Benjamin Britten Lounge, 3rd floor, & Mountbatten Lounge, 5th floor								
14.00-15.30	Closing Plenaries DARWIN AND STIs - Mike Boots SEXUALLY TRANSMITTED DISEASE CONTROL: A SISYPHEAN TASK? - Geoffrey Garnett								Exhibition	Exhibition

Please note that this programme may be subject to change.

	Plenary
	Oral session
	Sponsored symposium
	Symposium
	Clinical session
	Breakfast debate
	Poster viewing session
